

# Airoma<sup>®</sup> MVP

## Automatic Air Freshener Dispenser

Airoma<sup>®</sup> MVP dispensers provide flexible and easy to use programming options and can be set to match your exact location conditions, automatically delivering small bursts of fragrance at specific intervals in order to keep bad odours at bay.

- Fully programmable dispenser allowing you a choice of number of refills per year; 6, 8, or 12 hour operation; choice of start and end time; days off selection feature; choice of days of operation (5, 6, or 7). Weekend On/Off option also available.
- Patented "I.P.E.<sup>™</sup>" facility enables users to program one period per day of enhanced fragrance delivery.
- Visible countdown clock showing time until next spray confirms operation of unit and provides health and safety warning.
- Patented automatic reset button when a fragrance refill is replaced.
- Smart chip technology automatically calculates days in use and refill life.
- Quick button allows quick set up for 30/45/60 days use, 24/7.
- Available in white, white/chrome or black/chrome to suit customer preference.
- Variety of long lasting fragrances available that are compliant with all relevant aerosol legislations.
