**CUT YOUR
CLEANING TIME
IN HALF***

BISSELL CrossWave[®] Commercial 3-in-1 multi-surface floor cleaner simultaneously vacuums, mops and dries floors in one easy step. It is designed to clean hard floors such as sealed hardwoods, tiles and laminates.

The on-demand trigger allows for control over the amount of water released on the unique, extra-large brush roll. The easy to remove dual tank technology keeps the clean and dirty water separate. The effective bristles on the brush roll help remove grease and stains while remaining gentle enough to protect your flooring from damage. With an automatic self-cleaning function the brush roll and nozzle are easy to clean and ready for the next use.

BISSELL CrossWave[®] Commercial is made of durable, high quality materials and features robust workmanship from top to bottom.

USER BENEFITS

- **Multi-functional 3-in-1 machine: vacuums, mops and helps dry hard floors**
- **Extra large brush roll for more coverage in one pass**
- **Separate, easy-to-remove clean and dirty water tanks for easy filling and emptying**
- **Automatic self-cleaning to keep the brushroll clean for the next use**

* Based on AICS Time & Motion Study as compared to a typical three-step manual cleaning process with broom, flat mop and spray bottle, and lint/sticky roller.
