

V-Wipe

Bactericidal & Virucidal Surface Wipes

A convenient virucidal and bactericidal surface wipes of all wet cleanable surfaces

Effective against Coronavirus

USES

V-Wipe by Quattro Hygiene is perfect for sanitising where there is no or limited access to sprays and cloths. The V-wipe is conveniently packaged in packs of 100 wipes and the resealable packaging enables the wipes to stay fresher for longer.

The V-Wipe is perfect for a wide range of environments, including gymnasiums, offices, warehouses, schools and nurseries. The V-Wipe is also food safe and can be used within the catering industry.

The wipe is 100% recyclable; ensure that it is disposed of with items such as plastic bottles and cans.

The V-Wipe passes EN1276, EN14476 and EN1650

DIRECTIONS

Wipe surface to be cleaned with a V-wipe. Ensure all touch point surfaces are covered. The alcohol content within the wipe will aid the drying of the surface.
