

Eco Logik

Multi Surface Cleaner

USES

A viscous multi-surface cleaner designed to effectively clean, freshen and enhance hard surfaces. Incorporates a fragrant aroma to freshen in use. Cleans surfaces and leaves a unique satin finish to enhance the appearance. Ideal for trigger spray application or use via all recognised types of mopping systems. Suitable for use on marble, terrazzo, anti-slip and textured floors. Laminated floors, metallised polish, ceramic tiles, aluminium, stainless steel, laminated furniture and other washable surfaces.

DIRECTIONS

Directions and Dilutions

Pre-dilute with hot or cold water, according to the level of cleaning action required recommended dilutions are:

1-50 for light cleaning.

1-30 for general cleaning.

1-20 for use on metalised polishes.

1-5 for heavy duty cleaning.

Apply using a mop, brush, cloth or spray, work into the surface and then rinse or wipe clean.

pH in use
